

This qualification provides an entry level occupational outcome in wool handling.

The wool industry expects individuals with this qualification to carry out routine wool handling tasks under general supervision and exercise limited autonomy with some accountability for their own work.

This qualification is suitable for an Australian Traineeship.

Entry Requirements

To be eligible to enrol into this qualification applicants must be able to demonstrate shearing skills and knowledge at Certificate II in shearing level by completion of that certificate or by recognition of prior learning.

Training Options

Flexible delivery with in-shed training and assessment.

Costs

*The amount you will pay will depend on your individual circumstances

Government subsidised fee (for eligible students): Up to \$1000

The fee that is displayed is the price for a student completing their second qualification and meeting eligibility criteria. The fee you pay may be lower depending on your personal circumstances and eligibility for a subsidised place, a concession or an exemption.

Please contact Australian Agricultural Training for a personal fee assessment or check our website www.aussieagtraining.com for the fee schedule.

PAYMENT OPTIONS: Australian Agricultural training can make arrangements for payments by instalment.
